

SUPERVISOR PROFESSIONAL DEVELOPMENT PROGRAM

Work-based Learning and Assessment

The Royal Australasian College of Physicians invites you to a supervisor training workshop, Work-based Learning and Assessment, the third of the Supervisor Professional Development Program (SPDP).

The session will be 3 hours and will cover the following topics:

- Discuss the purpose and importance of work-based learning and assessment
- Analyse the cycle of planning for learning and assessment
- Identify the challenges and solutions associated with work-based assessment in a complex environment
- Evaluate overall performance and progress to make a summative assessment.

We encourage anyone who is currently serving as a supervisor, new to supervision and those who have not previously attended a supervisor workshop to attend. Attendance at this session can be counted towards your MyCPD program.
